RESOURCES

Sustainability means slowing down.

Join us for unique, wide-ranging discussions about:

- **SLOW ECONOMICS** – commerce, investing, management, markets, ownership
- **SLOW POLICIES** – Fixing government, fixing corporations, fixing nonprofits
- **SLOW COMMUNITIES** – Food/land, habitat, health/lifestyle, faith/spirit, arts/culture, education/ learning, systems/tech/energy, news/social media

Who should come:

- business leaders • entrepreneurs • educators, students • government officials
- foundation and non-profit leaders • journalists • artists • community leaders
- ...and engaged citizens.

JOIN US:

May 30 - June 1, 2012 • Downtown Brattleboro, VT (USA)
