SECOND ANNUAL STROLLING OF THE HEIFERS **SLOW LIVING SUMMIT**

SOLUTIONS

ACTIONS

RESOURCES

Sustainability means slowing down.

Join us for unique, wide-ranging discussions about:

- **SLOW ECONOMICS** – commerce, investing, management, markets, ownership
- **SLOW POLICIES** – Fixing government, fixing corporations, fixing nonprofits
- **SLOW COMMUNITIES** – Food/land, habitat, health/lifestyle, faith/spirit, arts/culture, education/ learning, systems/tech/energy, news/social media

Who should come:

- business leaders • entrepreneurs • educators, students • government officials
- foundation and non-profit leaders • journalists • artists • community leaders
- ...and engaged citizens.

JOIN US:

May 30 - June 1, 2012 • Downtown Brattleboro, VT (USA)

Common interests, common solutions, common good

SLOW LIVING SUMMIT

Downtown Brattleboro, Vermont: May 30 – June 1, 2012

<http://www.slowlivingsummit.org>

Unique, flexible discussions. Projects that change frameworks for **food, energy, money, education, media, health care, communities, relationships** – and the impact of catastrophic weather on each. For business leaders, entrepreneurs, educators, students, government officials, foundation and non-profit leaders, journalists, artists, community leaders -- and engaged citizens.

SLOW ECONOMICS – commerce, investing, management, markets, ownership

SLOW POLICIES – Fixing government, fixing corporations, fixing nonprofits

SLOW COMMUNITIES – Food/land, habitat, health/lifestyle, faith/spirit, arts/culture, education/ learning, systems/tech/energy, news/social media.
